

LANDGUARD BIRD LIST

Scientific & English vernacular names plus the order they are in constantly change. The order & scientific names follows IOC. Where more than one race has been recorded this is noted although several other species involve more than one race but this is so far unproven. All of these species have been recorded since Landguard Bird Observatory was founded except Chough (1888), Lark Sparrow (1981) & White-cheeked Pintail (1982).
